Dear Mare Owner,

Thank you for considering using “Equine Artificial Breeding Services” facilities to breed your mare. For your interest please find enclosed the 2007 price schedule, relevant information regarding EABS, along with the EABS semen order form. If you have any queries at all please don't hesitate to contact us.

Office hours are Monday to Friday 8:00am – 6:00pm, Saturday 9:30am – 2:00pm EST, Sunday - CLOSED

If the office is unattended, please leave your contact details on our answering machine and we will call you back as soon as you are free. If you need to order semen please phone and FAX us your order.

Protocol for ordering Chilled Semen:

- Collection days for Chilled Semen are: **Monday through to Friday. No collections Saturday or Sunday.**
- Order chilled semen using the attached EABS semen order form.
- SAME DAY DELIVERY: Fax PRIOR to 5:30pm the day before collection required
- OVERNIGHT DELIVERY: Fax NO later than 9:30am on day of collection

To ensure you don't miss out on semen, a telephone call the day prior to the required semen collection would be appreciated.

Protocol for ordering Frozen Semen:

- EABS must receive authorization from stallion owner before frozen semen can be released.
- EABS does require you to FAX your details (as set out below) at least 10 days prior to the mare being bred to allow for adequate transportation time of the frozen semen straws.
- Frozen semen straws and thawing instructions will be released and transported in dry shipper tanks directly to your veterinarian.
- Your veterinarian will further transfer the straws into their own storage tanks, after which the dry shipper must be returned to EABS as soon as possible (please refer to ‘Return of semen shipment containers’ below).

IMPORTANT (applies to Frozen Semen orders only)

Please provide the following information when you order the semen:

- Your (mare owner) name, address and contact telephone numbers.
- Stallions name
- Mares name
- The exact delivery address including, receiving persons name, telephone number and postcode.
- **Your credit card details, Visa, MasterCard, Bankcard or American Express card number, the full name that appears on the card and the expiry date. OTHERWISE SEMEN WILL NOT BE SHIPPED**

Return of semen shipment containers

It is the mare owners responsibility to ensure that the person artificially inseminating their mare returns the containers to EABS as soon as possible or further hirer charges will be incurred.

- The chilled semen container must be labeled with EABS address on the outside of the container and can be mailed back to EABS with Australia Post.
- Dry Shippers used for transporting frozen semen must be returned to EABS with TNT Transport. We will provide a consignment note in the dry shipper for the return.
